During the past year, the task of supervising the [redacted] Branch has been a most challenging one. [redacted] has become a knotty foreign policy problem, and is the subject of continuous and extensive discussions between the Agency, the State Department, and other components of the Government, while receiving the attention of the most senior policy makers. Through it all Mr. [redacted] has maintained a sense of balance and professionalism which permits a proper focus on the crisis of the moment. We have been fortunate in having an officer of Mr. [redacted] caliber in this position during such a difficult period.

In recognition of Mr. [redacted] demonstrated continuous superior performance as a senior intelligence officer, which has contributed to the accomplishment of the mission of the Agency, it is recommended that he be awarded the Certificate of Distinction.

Dear []:

You have just completed, at my direction, seven weeks of full-time service on the GS-13 Clandestine Service Personnel Evaluation Board. I know that this work has been particularly demanding. Your participation and diligent application of your professional experience have been decisive factors in the successful accomplishment of the Board's missions.

In the course of this assignment you have become thoroughly familiar with the use and interpretation of personnel files and personnel practices of the Clandestine Service. Having reviewed and analyzed the files of [] or more CS officers, you have had to make judgments and recommendations concerning their relative-ranking and their qualifications for promotion, for training required to overcome a deficiency or enhance career effectiveness, for changes of assignment to further career development and for Quality Step Increases to recognize outstanding performance. In so doing, you have carefully studied the career development of a large number of officers in all components of the CS, both as individuals and in relationship to each other in terms of merit and value to the Clandestine Service.

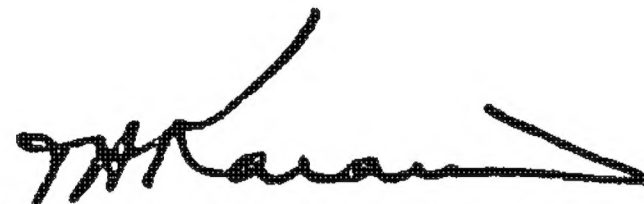

You have become familiar with a broad spectrum of personnel and administrative problems on a practical working level and have acquired a knowledge of personnel management which will better equip you to handle supervisory positions which require personnel reporting and career development of subordinates. The committee format of the panels has also deepened your understanding of the conference approach to management problems.

A copy of this letter will be included in your official personnel file so that your supervisors and future Evaluation Boards may make due note of this service.

MEMORANDUM FOR: [REDACTED]

SUBJECT : Foreign Divorce Decree

1. The purpose of this memorandum is to bring certain information to your attention which relates to the fact that your current spouse was a party to the dissolution in Mexico of a former marriage.

2. Recently, the Office of General Counsel completed a study of the validity of a Mexican divorce decree and potential problems arising from such a divorce for JKLANCE employees concerned and JKLANCE. A summary of OGC's study is attached.

3. You will note from the attachment that the employee whose current marriage follows a Mexican divorce may be confronted with serious problems affecting eligibility for payment of various government benefits such as reimbursement of hospitalization expenses, survivorship benefits and certain types of overseas allowances. My purpose in writing to you, therefore, is to be sure you are made aware of and understand the seriousness of the problems which would arise in the event of a challenge to the validity of the Mexican divorce and, consequently, to the validity of the current marriage. This challenge could arise at any time and from a number of sources.

4. JKLANCE has another interest stemming from Mexican divorces and this is one of security, depending upon the employee's specific employment. In the event such a divorce is challenged, subsequent litigation and attendant publicity become quite probable. It is, of course, in JKLANCE's best interest that this sort of activity be avoided where possible.

5. Recognizing that there are various types of Mexican divorce, and also that the various states in the United States have decided cases in different ways depending on the type of Mexican divorce involved and its own case law,

4-00000

you may wish to discuss your personal situation with your attorney or a representative of JKLANCE's Office of General Counsel. In the meantime, however, JKLANCE's position with respect to your situation is that it assumes the validity of your current marriage, unless the earlier Mexican divorce action and your current marriage are challenged. Should that challenge ever occur, it may be necessary for JKLANCE to determine that your eligibility for benefits based on your current marriage must be suspended until such time as the challenge is litigated or otherwise resolved. Special note should be taken of the fact that such a challenge might arise after your death, possibly resulting in the distribution of insurance proceeds and other death benefits to other than your immediate family as constituted at your death and contrary to your own intentions and wishes.

6. Please advise me of your plans and any actions taken in connection with the above. If you have any questions on the substance of this memorandum or its purpose, please do not hesitate to let me know.

USLMOGAGE -

- Notification of Designation as a Participant in
the Organization Retirement and Disability System

Action: Advise Subject

REF: Book Dispatch 5096

1. Subject has been found to be qualified as a participant in the Organization Retirement and Disability System and has been so designated effective 24 October 1965.

2. Although such designation under present statutes is viewed favorably by most persons, the regulation governing this retirement system gives the individual the right to appeal such a determination if he deems the designation adverse to his best interests. In order that this technical requirement may be satisfied, subject should be notified promptly of his designation and of his right to appeal. Any questions he may have should be answered in accordance with information contained in Book Dispatch 5096 or referred to Headquarters. An appeal with reasons therefore must be received in Headquarters within 60 days of the date of this dispatch or acceptance of designation will be assumed.

3. We believe that the benefits of the Organization retirement system are superior to the benefits of the Civil Service retirement system. However, there are a few situations in which an employee at the time of retirement may have so many years of service (almost 37) that he would receive a higher annuity under the Civil Service system. Because of this, the policy decision has been made that a participant in the Organization system who would receive a higher annuity under the Civil Service system may, not later than one year prior to his retirement, apply to be removed from our system and transferred to the Civil Service system. Thus, subject should not anticipate this contingency as a factor in deciding whether he regards his designation as a participant adverse to his best interests.

THROUGH : Director of Personnel

SUBJECT : Request of [] GS-15, to
Remain in the Employment of CIA Following
Marriage to an Alien

1. This memorandum submits a recommendation for your approval: this recommendation is contained in paragraph 7.

2. Mr. [] a GS-15 Operations Officer, has requested permission to remain in the employ of CIA as a Staff Employee following his marriage to Miss [] a 26 year old Cuban citizen living in []. The marriage is scheduled to take place in October 1965.

MEMORANDUM FOR: Clandestine Services Career Service Section A

SUBJECT: Recommendation for Promotion - Mr. [REDACTED]

1. Since October 1960, Mr. [REDACTED] has served as Deputy Chief of the [REDACTED] Station, and during an extended period of this time, he was Acting Chief of Station. His performance has been outstanding. Not only has he assisted his Chief in the management of the Station, but simultaneously managed to reinvigorate [REDACTED] which was the particular area of responsibility originally assigned to him. His service has been noteworthy not only for his vigor in initiating new activities but also for his balanced, yet energetic, cutting away of deadwood, useless procedures and purposeless activity.

2. In recent months, in part on his own initiative, and later under forced draft at Headquarters direction, Mr. [REDACTED] has been instrumental in mounting an active operational program targeted against [REDACTED]. Due almost entirely to the imagination, energy, and effort which he has applied, this program has already had considerable success in the acquisition of intelligence and the recruitment of agents, and promises to be even more productive in the future.

3. Mr. [REDACTED] activity since his assignment to [REDACTED] is clearly of outstanding caliber and it is noteworthy that the present Chief of Station as well as the preceding Chief of Station have both, on the record, rated him as exceptionally able, energetic, and mature. Mr. [REDACTED] has been in his current grade since December 1956. In view of the considered judgment concerning the value of his performance in [REDACTED] his good administrative qualities, his obvious maturity, energy, judgment and experience, it is strongly recommended that Mr. [REDACTED] be promoted to grade GS-15.

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT: [REDACTED]

1 April 1970 to 31 March 1971

Mr. [REDACTED] departed [REDACTED] on 21 February 1971, after having served as Chief of Station for two and one half years. The last year of his tour was highlighted by two extremely delicate, highly productive operations targeted against the [REDACTED] operation of a most sensitive nature stemming from them. This latter operation, focused as it was around [REDACTED] called for constant good judgment on how to pursue U. S. Government interests with this highly sensitive and significant intelligence at hand. (It was highlighted at the WH Division's Chiefs of Station Conference held in February 1971 as a classic example of both the collection and use of intelligence on the real "national interest" level.)

Throughout these operations, Mr. [REDACTED] handled himself very well, especially during the latter part of his tenure when he was under considerable pressure as an almost inevitable consequence of the impact of these operations. Ultimately, Mr. [REDACTED]

[REDACTED] was requested by the [REDACTED] [REDACTED] It should be stressed that this was a mark of his operational success rather than the result of any operational "flap" or miscue whatever.

The

- 2 -

fact that, under these general circumstances, he continued to function normally, responding to numerous demands being made on him by the situation and Headquarters, and set about paving the way for his successor to take up the cudgel from the best operational platform -- all this speaks for itself and certainly underlines the fine quality of Mr. [] professional and personal characteristics.

In the realm of normal activity, Mr. [] handled his officers with both firmness and tact. He was a good manager, ran a taut Station, and had cut back on several marginal operations, streamlined others, and initiated some new ones. He writes well and quickly, and he has exceptional fluency in Spanish. He moved very well in the local community and, during his tenure, established a wide range of contacts.

Mr. [] relationship with the [] was excellent, and [] was a great help to him in discharging his representational duties and [] within the []

In sum, Mr. [] is a "pro" who turned in a strong performance both before and after the chips were down.

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT: [REDACTED]
1 April 1968 - 31 March 1969

Mr. [REDACTED] began his tour as Chief of Station, [REDACTED] in July 1968. He was well prepared for the responsibilities of the assignment, having served in two important stations as Deputy Chief of Station, and as Deputy Chief, WH/COG.

At the outset of his assignment, Mr. [REDACTED] was confronted with [REDACTED] who had reservations on several matters connected with the station, including problems concerning the establishment of a [REDACTED] operation. Shortly thereafter [REDACTED] activities placed an additional burden on the [REDACTED] station and on relations with the [REDACTED] Mr. [REDACTED] weathered these initial rough spots well, keeping Agency interests protected.

In the seven months since his arrival in [REDACTED] Mr. [REDACTED] not only succeeded in overcoming the [REDACTED] initial frostiness, but has mollified the [REDACTED] misgivings on several potential items of conflict. Furthermore, he has won a strong endorsement from the ambassador who has made it a point to inform Headquarters officers that he is highly pleased by the manner in which Mr. [REDACTED] is handling his assignment.

Mr. has an aggressive, constructive and realistic approach to operations. He has made a good assessment of the station's operational assets and personnel and has succeeded in sharpening general performances. Coordination and cooperation between the station and Headquarters leaves nothing to be desired.

He displays appropriate cost-consciousness. The morale of station personnel is high. Mr. and his wife are highly regarded by embassy personnel, and have established a wide circle of Costa Rican friends and contacts.

He has put in a Strong performance.

MEMORANDUM FOR THE RECORD

SUBJECT: Memorandum in Lieu of Fitness Report -
Mr. []

1. Mr. [] is on the eve of his departure as an overseas Chief of Station. This is a logical and justified next step in his career development. Mr. [] responsibilities have been considerable in recent years: DCOS in two important Stations; Chief, FI and then Deputy Chief of WH/COG. It should be pointed out that in the latter position he was Acting Chief for long periods, performing admirably. His new assignment indicates that the most senior officers in the Division have recognized this.

2. Mr. [] is a professional intelligence officer in the strictest sense of the word. He is hard-driving and tenacious; despite his seniority he is on any list of activists; he has the capability of getting things going, of getting the job done. He applies rigid standards to his subordinates, but no less rigid than those he applies to himself. He is cost-conscious to an unusual degree. He is a fluent speaker of idiomatic Spanish and can handle himself well in any milieu. If Mr. [] is ever less than diplomatic it is when considering ersatz operational proposals or phoney practices, neither of which he can tolerate.

3. There is no question that in his next assignment Mr. [] will benefit from the social graces of his []. In his own private life Mr. [] maintains numerous important contacts.

COURSE OBJECTIVES, CONTENT AND METHODS

The COS Seminar is aimed to prepare prospective Chiefs and Deputy Chiefs of Station and Chiefs of Base for field assignments. Emphasis was upon the difficulties confronting Chiefs of small or medium-sized installations, since they must handle a peculiarly wide range of problems. The bulk of the course is given in lectures and question periods conducted by officials responsible for the missions, functions, programs, and services discussed. A few key items of suggested reading are included, and bibliographies of suggested reading tailored to the individual's assignment are offered for those who want them.

He has carried out efficiently and promptly those staff functions which I have assigned to him, but I detect a certain lack of interest in these. Probably this reflects his most outstanding ability and consuming interest in the real heart of our activities--the production of intelligence and in the conduct of actions against our target. He has participated personally in several operations and is one of the relatively few senior officers who delights in handling agents and making recruitments.

<p>I know subject and am thoroughly familiar with his work and performance. I concur in this report with one exception, namely the rating given subject for specific duty No. 6. Because of his travels which absented him from the Station for one-half of the past year, subject perforce was inadequately qualified to take charge of the station in the absence of the COS. Specializing on operations entirely, he has but a limited knowledge of the station's other activities and considering only the effectiveness of his performance of this duty, I could not rate him higher than P. This is not a comment on his capability but rather an evaluation of his effectiveness in performance of this particular duty.</p>

SECTION E NARRATIVE DESCRIPTION OF MANNER OF JOB PERFORMANCE

Stress strengths and weaknesses demonstrated in current position. Indicate suggestions made to employee for improvement of his work. Give recommendations for his training. Describe, if appropriate, his potential for development and for assuming greater responsibilities. Amplify or explain, if appropriate, ratings given in SECTIONS B, C, and D to provide the best basis for determining future personnel actions.

Subject is a strong officer from every important point of view. He is experienced, intelligent, alert, aggressive, extremely hard working and conscientious. He is never satisfied with the status quo but is constantly striving to acquire new operational assets or to improve the functioning or production of old or current projects. He is tough-minded and abundantly endowed with intellectual as well as physical courage. If he has any one weakness, it is his impatience with subordinate officers and employees who do not tackle their operational duties with the same degree of zeal that he himself applies. His direct and forceful manner in calling such shortcomings to the attention of case officers under his direction has, on infrequent occasions, caused some minor and transitory resentment. In most cases, however, it has also resulted in improvement in the attitude and performance of the officer in question.

Subject is especially effective in his dealings with [redacted] and the fact that our [redacted] with the [redacted] are currently on a cordial and more productive basis is due mainly to the thought, energy and time which Subject has devoted to this important activity. At the same time, subject has not permitted [redacted] considerations to inhibit the planning and development of [redacted] operations and agents. In this connection he has been especially effective in developing valuable assets for [redacted] operations.

Subject has an outgoing personality; makes friends easily, especially among [redacted]. He is a mature person who is respected by his Station colleagues and by the senior [redacted] and other agency representatives with whom he maintains contact. He has direct supervision over [redacted] officers and clerks. He is a good administrator. He writes effectively. (Continued on attached sheet)

As a well rounded operations officer and administrator, Subject is qualified to run his own station and, in my opinion, it would be an injustice to him if he is not assigned as chief of a medium sized station when his service in [] is completed. It is my hope, however, that Subject will be given a second tour at [] when his current tour ends in October 1962.

This officer, who is Deputy Chief of Station and also Chief of [redacted] directly supervises a sizeable number of personnel involved in joint operations with [redacted] and directs the operations in which they are engaged. In the comparatively short time he has been in this Station he has succeeded in making major advances in our [redacted] to the point where we can now accomplish considerably more than before his arrival. He is energetic, imaginative, gets things done, and works round the clock — his off duty hours he employs mainly in [redacted] and other operational relationships. Furthermore, unlike some officers in [redacted] he is also most active developing [redacted] operations. As for his qualities as a deputy, suffice it to say that he is the best deputy I have had in my entire career with this organization — a truly outstanding officer, as reflected in the numerical ratings I have given him, whom I would be glad to have with me any place I may be assigned.

SECTION IV

This section is provided as an aid in describing the individual. Your description or unfavorable in itself but acquires its meaning in relation to a particular job or assignment. The description words are to be interpreted literally.

On the left hand side of the page below are a series of statements that apply in some degree to most people. On the right hand side of the page are four major categories of descriptions. The first category is divided into three small blocks; this is to allow you to make finer distinctions if you wish. At the statement on the left - then check the category on the right which best tells how much the statement applies to the person you are rating. Placing an "X" in the "Not Observed" column means you have no opinion on whether a phrase applies to an individual. Placing an "X" in the "Does Not Apply" column means that you have the definite opinion that the description is not at all suited to the individual.

TRAINING REPORT

MANAGERIAL GRID SEMINAR (50 hours) DATES: 23-28 April 1967

Student : Office : WH

Year of Birth: Service Designation: D

Grade : 15 No. of Students :

EOD Date : June 1952

COURSE OBJECTIVES AND METHOD

Course objectives are to aid participants to: learn the managerial theories contained in the Grid; understand their personal managerial styles in Grid terms; evaluate convictions about managerial values; develop team action skills; increase candor of communication; strengthen the use of critique for problem-solving and learning; and acquire an appreciation of Organization Culture and Development.

The method of learning offers a challenge to all participants regardless of level or experience. A Grid Seminar is not "taught" in the usual sense. In Grid teams, participants solve complex management problems. Objective solutions are made available. Individual and team performance is repeatedly assessed. Various measuring instruments are used to evaluate effectiveness.

Critique sessions assist each participant to understand how he might change his own behavior to increase his problem-solving effectiveness. Thus managers are not told the best way to manage, but they learn by convincing themselves.

About twenty to thirty hours of study are completed as prework. Insights gained are deepened and personalized during the intensive 50-hour Seminar.

ACHIEVEMENT RECORD

This is a certificate of attendance only. No attempt was made to evaluate student achievement in this course.

INSTRUCTIONS TO APPOINTING OFFICER

The appointing officer before whom the foregoing certificate is made shall determine to his satisfaction that the applicant would be in compliance with the Civil Service Act, applicable Civil Service Rules and Regulations and acts of Congress pertaining to appointment.

This form should be checked for holding of office, position, suitability in comparison with any record of record of service or arrest, and particularly for the following:

(1) *Identity of appointee*—It is the duty of the appointing officer to guard against impersonation and to determine beyond reasonable doubt that the appointee is the same person whose appointment was authorized. The appointee's signature and handwriting are to be compared with the application and other pertinent papers. If the appointee is not the same person as the one whose signature and handwriting are on the application, the signature on the form should be removed with the signature on the declaration sheet, which was signed in the recommendation room. The physical appearance may be checked against the official certificate. The appointee may also be questioned on his personal history for appointment with his previous positions.

(2) *Age*—If definite age limits have been established for the position, it should be determined that applicant is not outside the age range for appointment. Until such a determination is made, the appointment may not be consummated.

(3) *Citizenship*—The appointing officer is responsible for observing the citizenship provisions of (1) the Civil Service Rules and (2) appropriation acts. From all constitutes an affidavit for both purposes and is a veritable proof of citizenship status in the absence of conflicting evidence. In doubtful cases the appointing officer should not be consummated until clearance has been secured from the existing office of the Civil Service Commission.

(4) *Members of Family*—Section 9 of the Civil Service Act provides that whenever there are already two or more members of a family serving under government or governmental appointment in the competitive service, no other member of such family is eligible for preferential or permanent appointment in the competitive service. The appointments of persons entitled to preferential positions are not subject to this requirement. The members of family provision does not apply to temporary appointments. Doubtful cases may be referred to the appropriate office of the Civil Service Commission for decision.
